

All Employees Must Wash Their Hands

To wash your hands thoroughly; rub all parts of hands and wrists with soap and warm water. Rub your hands together vigorously for at least 15-20 seconds.

(Singing happy birthday takes roughly 20 seconds)

Wash Your Hands

- After eating
- After using the Bathroom
- Whenever you enter the sugar house
- After touching any part of your body (especially your hair)
- Before touching any opened, finished or raw products
- Whenever your hands become soiled or dirty

Best Practices

- Keep your nails short and clean
- Ensure your shirt sleeves or cuffs do not get wet while washing your hands
- Do not wear artificial nails or nail varnish
- Never wear rings or bracelets when working with opened, finished or raw products
